

# NHBS Environment Bookstore

*Wildlife | Science | Conservation*

## SPECIAL OFFER FOR EURASLIC 2005!

NHBS are offering all libraries and organisations attending EURASLIC 2005 a voucher worth £25 (approx. EUR36) off their first order over £100\* (approx. EUR 147)

NHBS Environment Bookstore has been supplying libraries, scientists and wildlife enthusiasts all over the world for 20 years. We are the world's leading specialist in natural history bookselling. We offer:

- ▶ Over 100,000 science, wildlife and conservation titles on [www.nhbs.com](http://www.nhbs.com). Each title in this vast catalogue of books on [www.nhbs.com](http://www.nhbs.com) is carefully chosen and described to help you identify and buy the key books you need
- ▶ Over 6000 titles on marine science: including marine biology, coastal habitats, zoology, biogeography and oceanography
- ▶ A comprehensive Monthly Catalogue of 300+ new and forthcoming titles - emailed to subscribers and available online
- ▶ Powerful online search tools
- ▶ Advanced ordering and account facilities for library account holders
- ▶ Email Newsletters packed with new and offers from NHBS
- ▶ We can supply proformas and quotes, and are happy to take part in competitive tendering processes
- ▶ The NHBS Biblio-Blog - to keep you up-up-date on all the book gossip at NHBS
- ▶ Rapid personalised customer service
- ▶ Specially tailored discount options
- ▶ NHBS can supply any books as part of an order - even those outside our subject range

NHBS is proud to work in association with leading wildlife and conservation organisations
